

Action Taken Report for the Prevention of Covid-19: GMDC Bhavnagar

The whole world is facing the crises situation of **Covid-19 (Corona-Virus Disease 2019)** Pandemic. Efforts and actions are being taken nationwide, to prevent the Spread. Various guidelines have been issued by Government Bodies time to time.

Following the same, **GMDC Bhavnagar Project** has also taken utmost care, at every level, to prevent the Disease. Various preventive actions have been taken in Mines, Colony and in nearby Villages of Mines.

Hand Sanitization of Security Guards, Truck Drivers including Thermal Scanning

Sanitizing Tunnel has been placed at the Main Gate Entry of Mines, using 0.05 % of Sodium Hypochlorite solution for the Sanitization of Mass, entering Mines Premises specially Truck Drivers, Contractual workers, employees etc.

All the **Outdoor surfaces** in Mines having public contacts have been **sanitized daily** by Clodet ODR Solution, like Staff Bus, Vehicles, Toilets, Workshop, ADM Building, Time office Building Weighbridges etc.

Indoor Office Surfaces, like Table-chairs, Computers, Printers, and Door Knobs etc are being **sanitized daily** by Bactodex-Plus Solution.

In Addition to it, **Hand Sanitizers** are being placed at all remote locations for easy access of Field manpower, including one at entry gates.

Reusable masks have been distributed to **Employees and their family members**. Disposable Masks are also distributed to workers as required.

2 Nos of Infrared Thermal Gun have been procured, one for Mines & colony each, to scan the Body Temperature of every incomer.

All the necessary precautions were ensured at **Contractor camp** also, like sanitization, use of masks, Thermal Scanning and social Distancing.

Sh. N. Pareek, GM (Project) initiating the sanitization Process & Team Bhavnagar with Successful implementation of Sanitizing Tunnel.

Sanitizing Tunnel in use, Indoor & outdoor Sanitization including Mines & Contractor camps

In GMDC colony also, required precautions and preparedness have been ensured to face any odds.

3 Isolation Rooms with 2 Beds each have been prepared at Colony. 5 Nos. of PPE Kits have been procured. Initially, our Medical Team has conducted Door to Door Checkup of Employees and family members. **19 Employees and 29 family members have been quarantined.**

Hand Sanitizers have been placed at **Security Gates** of Colony to ensure proper sanitization of all entrants, including the vendors associated with delivery of essentials. Outdoor Sanitization of Benches etc being done periodically.

Disposable Masks are being issued Daily to Colony Housekeeping Staff, Gardeners, and Security Guards etc. Record of all residents commute is being maintained at Security Gate.

Door to Door checkup of Employees & families, Daily Check up of Quarantine Members by GMDC Medical Team, Outdoor Sanitization & Thermal Scanning of Housekeeping Staff in colony

To prevent Covid-19 in **Surrounding Villages**, we have planned to **sanitize the Village Roads, Public Places by misting Sodium Hypochlorite**. The procurement of chemicals is under process and will be done shortly.

Social Distancing is being strictly followed in Mines, Office & Colony Premises and during commuting of Staff Bus and vehicles.

Awareness of Covid-19 has also been done by Poster Display on Medical Van.

Facts & Figures: A total Amount of Local procurement of **Rs. 78,000.00 (Approx)** has been done for Covid-19 prevention. In addition, we have received various materials from Corporate Office. List Enclosed.

Social Distancing in Contractor Mess- Daily Attendance-Truck Drivers-Staff Bus, Use of Mask by employees,

As per directives of Government, use of **ArogyaSetu App** has been made mandatory for all the employees and contractors. **Various guidelines, circulars and Office orders** are being issued by **Project Authority** periodically, for the implementation of above cited precautions and are being monitored closely.
