Sr.	Clause No.	Existing Provision	Amended As
1	Clause No. 6 (h) of Chapter-I:	If the awarded quantity is not executed within the schedule contract period and reasons for shortfall in the quantity not attributed to Contractor then the contract period may be extended at the same rate finalized for the work on mutually agreed terms & conditions.	If the awarded quantity is not executed within the schedule contract period and reasons for shortfall in the quantity not attributed to Contractor then the contract period may be extended and the Escalation in the rate shall be considered on the basis of average of WPI (All Commodities) of last three year.
2	Clause No. 6 (i) of Chapter-I:	In case of requirement of execution of additional quantity after completion of the contract period, the contract period may be extended for the additional quantity at the same rate finalized for the work on mutually agreed terms & conditions and contractor shall be bound to execute the additional quantity during the extended contract period.	In case of requirement of execution of additional quantity after completion of the contract period, the contract period may be extended for the additional quantity and the Escalation in the rate shall be considered on the basis of average of WPI (All Commodities) of last three year and contractor shall be bound to execute the additional quantity during the extended contract period.

Clarifications:

1. The distance of Power Supply Point to the pumping station is about 500 mtr.
2. GMDC will not provide any infrastructure assistance for preparatory work for pumping and its related activities to be carried out by the bidder.
3. Other provisions remain same as per the tender document.
